Presidents' Message

Hello Cruisers...

What a crazy couple of months we have had! All kinds of rain, flooding, mud slides etc... One good thing the drought is over and allows us to get our rides out and have more fun.

As most of you know it seems like every weekend we have another car event happening, if any of you would like to share any photos send them to our club website or email them to Gil so we can post them in one of our newsletters. Also any projects or updates you are doing to your vehicle send us some pictures and tell us what upgrades you are doing.

We are in the planning stages for:

❖ ***4th Of July Pancake Breakfast
Alameda County Fire 🇺🇸 Dept.***

Newark (We are the host Club, this is for club members only)

❖ ***Newark Days Car Show Sep 16th***

SICK CALL

Keep Matt Herrera in your prayers and well wishes as he is recovering from back surgery. Lance Williams had been in the hospital, he was dealing with pneumonia, blood pressure issues and Diverticulitis. He is doing well and recovering at home.

See you at our next meeting May 17th & June 21st at Swiss Park located 5911 Mowry Ave Newark, Ca. meeting will start at 7:00 pm, come early to eat and shoot the breeze! For Active Members and their significant others.

Mission Statement

Since 1997:

Our club promotes camaraderie and enthusiasm for the classics, custom automobiles, trucks to bring back the memories of the past. The pride we have for our vehicles is shared with the community, by participating in car shows for local charities and civic organizations. The Classic Cruisers help spread goodwill and friendship through the pride and passion of the classic and custom cars we own.

We hold weekly car gatherings during the summer months on Fridays 3:30 – 6:30 at the corner of Newark Blvd. and Jarvis Blvd. Safeway shopping center Newark. We hold an annual car show in May of each year. We enjoy sharing interests in all types of cars. We welcome all car owners and invite anyone interested in becoming a member to ask any member for more information.
